

**New “Fun with Friends”
program helps kids
make friends and fun
memories**

Announcing a new Thursday morning youth program called “Fun with Friends” begins on Thursday July 21st and runs until Thursday August 18th. The program start and end times are 10:00 am to noon. School-age children from First grade through high school are welcome. Middle and High School students will have opportunities for camp leadership roles. There is no camp fee to register and no costs for supplies. The program and all supplies and activities are provided by the Youth Ministry team at Trinity Episcopal Church at 261 East Main Street.

Every 2-hour session features fun-filled activities including lively music & movement, team- challenge games like designing a marble-run using pool noodles, arts and crafts, all while working on skills that make for positive friendships. Skills learned included cooperation, gratitude, effective communication, and not only what makes a good friend, but how to make friendships last. The value of Kindness and the example provided by Jesus is the program’s overall theme, with an emphasis on fun-filled activities with peers. Snacks and cold refreshments for kids will be provided.

Parents can register by visiting the Trinity Church website and downloading the application. The website URL is **<https://trinityhamburg.wixsite.com/trinityhamburg>**
